

# How Finance Leaders Optimize Efficiency and Mitigate Risks

HOW FINANCE LEADERS OPTIMIZE EFFICIENCY AND MITIGATE RISKS  
BY MAINTAINING A SINGLE SOURCE OF TRUTH

August 26, 2020

workday.

CFO

Finance leaders at professional services firms need data from across their organizations in order to keep an accurate pulse on financial performance. This isn't so easy to do without one source of truth for data.

Join us for this CFO webinar to learn how you can:

- Identify bottlenecks in gathering data from multiple systems, including dependence on manual processes
- Establish consistent data definitions among different business units
- Get buy-in for technology that maintains a single source of truth
