Summary

The Great Regeneration

In a changing world of work, how can employers learn what employees need to stay engaged?

Around the world, the COVID-19 pandemic has not only changed the way we work but the way we think about work. Many people are reassessing their work lives and companies in industries across the board are seeing record levels of turnover. This webinar gives employers actionable insights into not only what employees want but HR initiatives that will keep them engaged while improving workplace satisfaction.
