

Adobe Sign + Notarize : Making notarizations faster and easier.

The advertisement features a purple background. In the top left corner is the Adobe Sign logo. The central focus is a laptop and a smartphone. The laptop screen displays a 'POWER OF ATTORNEY' document with fields for Notary's Signature, Client's Name, Address, City, State & Zip, and Notary's Name. A circular inset shows a woman wearing a headset, representing a remote notary. Below the laptop, a smartphone displays a 'Talking to Notary' interface with a video call window showing the same woman, a signature strip with 'MJR' and a date, and a green 'I've signed the document' button. At the bottom, the Adobe and Notarize logos are shown with an 'X' between them, and a small line of text reads 'This eBook is being brought to you by Adobe and Notarize.'

Adobe Sign has integrated with Notarize which extends Adobe Sign's digital document workflows to include remote online notarizations. This e-book provides an overview of both Adobe Sign and Notarize. It also explains the benefits of using the two solutions together via the new Adobe Sign + Notarize integration, a faster, easier way to get document e-signed and notarized in one, seamless digital experience.
