

2021 Travel & Expense Policy – OD Webinar

Smarter Expense Management in the New World of Work

Webinar Replay

When it comes to where and how people are working, 2020 and 2021 have been transformational years. From the sudden transition to remote work to today's conversations around hybrid work environments, it seems everything has changed. It's a good time for business leaders to ensure their policies address the new workplace needs.

Listen in to our 45-minute on-demand webinar on creating an expense policy that works for your business in the new world of work. If it's been more than a minute since you've updated your employee expense policy – or you don't have one at all – we share tips and tricks to get started.

In this session you'll learn:

- Why it's important to have an employee expense policy that fits current working conditions.
- How hybrid or remote work models should factor into policy development.
- What you can put into place today to increase spend management, reduce risk, and ensure compliance.
- How selecting the right technology tools can dramatically increase the effectiveness of your expense policy.
