

FITARA Dashboard

On the latest FITARA Scorecard, seven agencies earned higher overall scores, four saw their grades decline, and 13 remained steady with gradings from the previous scorecard issued in July 2021. No agency received a failing overall grade – 22 of them got marks in the “B” and “C” range. With our FITARA Dashboard, get the same great content as the House Oversight and Government Reform (OGR)’s IT Scorecard, but a bit easier on the eyes.
